

Good friends
are to be
gathered like
roses

READ THE QUOTES BELOW

this is my
wish for you:

comfort
on difficult days,

smiles
when sadness intrudes,

rainbows
to follow the clouds,

laughter
to kiss your lips,

hugs
when spirits sag,

sunsets
to warm your heart,

friendships
to brighten your being,

beauty
for your eyes to see,

faith
so that you can believe,

confidence
for when you doubt,

patience
to accept the truth,

courage
to know yourself,

love
to complete your life.

Friends are quiet angels,
Who lift us to our

When our wings have trouble how to fly
They stand by us and give us the strength to

Friends are angels

Who make you see

The light that's in the before the dawn

our journey's not so long

But it's the and the fun

Sometimes the feeling that we're one

All the we cry together you and I

That will keep us heart to heart as

Friends are quiet angels

Who fill your life with

to share your joy when a dream

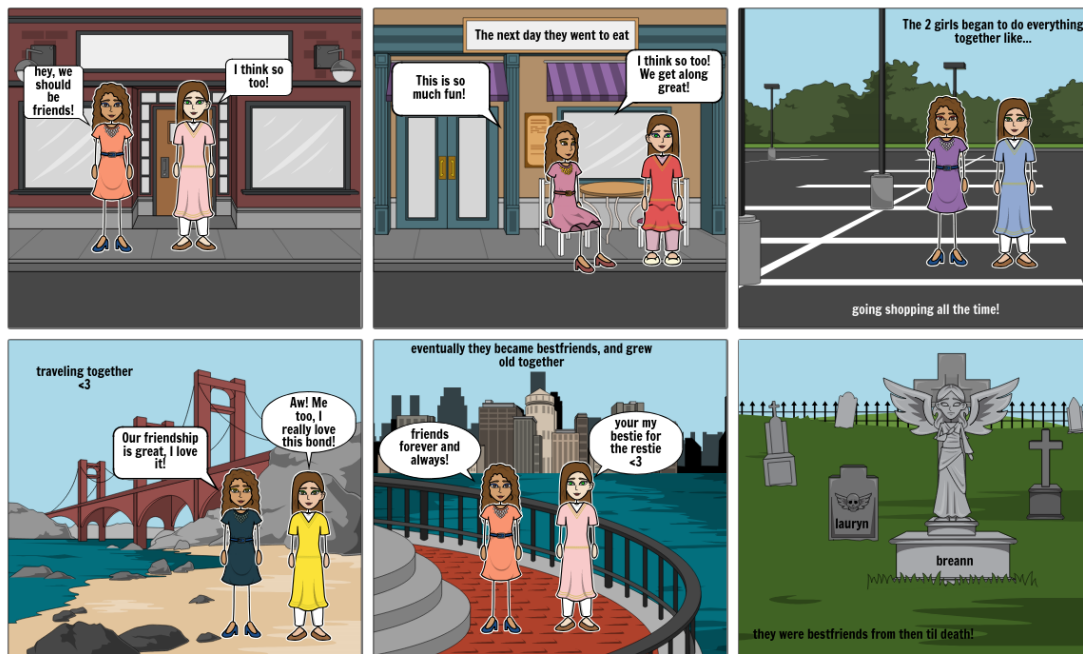

And on this special day

I'm 'cause I can say

I've found a quiet angel in you

And on this special day
 I'm blessed 'cause I can say
 I've found a quiet angel in you
 You're a special angel
 I a quiet angel in you

remembering, quiet, somehow, feet, darkness, laughter, and
 by, comes true, grace, blessed, found

Create your own at Storyboard That

WRITE YOUR OWN DIALOGUE SIMILAR TO THAT

Priscus and Verus, as the story goes, were friends. Together, they trained to be gladiators. Despite their friendship, they were put into the arena in the Colosseum together, to fight each other to the death for the entertainment of the crowd. According to the story, they both fought so long and so well that finally after hours of fighting they were both awarded the victory and their lives.

Imagine being forced to fight to the death against one of your best friends. Then imagine that after hours of fighting you are both awarded your lives. What would your conversation be like afterwards? Either write that conversation or write the conversation that you imagine Priscus and Verus had after their fight was over.
